

REMARKS

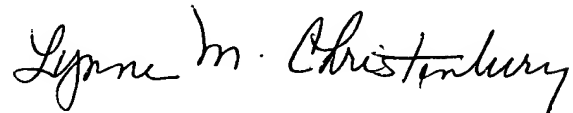

Submitted herewith is a form PTO/SB/08 listing the reference Rogne et al. Biochem. Biophys. Comm. (1987) 148:161-169. It appears that this reference was cited in the specification on page 4 and a copy of which also accompanied the Response filed on October 10, 2003.

Applicants respectfully request formal entry of this reference which was previously submitted without the appropriate SB/08 form.

It is believed that this request will not place any additional burden on the Examiner. This is being done simply to address what appears to be a clerical oversight.

Please charge any fees which may be necessitated by this response after allowance or credit any overpayment to Deposit Account 04-1928 (E. I. du Pont de Nemours and Company).

Respectfully submitted,
